Terms and Conditions

ABS L Fusion is a unique tailored Leadership Development Programme for experienced managers, experts, and business services leaders created by business services experts. Fusion arises from **ABS L Vision 2025** a comprehensive forecast of the sector's future as seen by more than 20 business service leaders. Fusion is the only one of its kind in the CEE region and it is open exclusively to the Czech ABS L member network.

How will you benefit from ABS L Fusion?

You will get the unique opportunity to gain a deep understanding of the current and fast-growing business services sector not only in the Czech Republic from our best ABS L Faculty experts – hand-selected by ABS L Academy management for their expertise within the business services sector.

You will develop new innovative projects for your centre and master your leadership skills and capabilities.

Develop your valuable network and shape the future of our sector.

What do we expect from you?

You are a business services leader, centre head, HR and project leader or key future talent from the Czech ABS L Member network.

You have:

- More than 3 years of experience in business services environment and senior roles.
- Good English language communication skills.
- Clear talent potential for future roles in the sector.
- Willingness to learn and ability to combine a busy learning programme with leadership role.
- Full support from your company for programme involvement.

Course duration, Fee & Payment, Process

The programme duration is 1 calendar year, starting on January 1st. Total time over one year is 10 days per delegate or 5% working year.

Programme cost per delegate is 85 000 CZK. The programme fee is not refundable. Cost includes all materials, venues, coaching, expenses, and support of ABSL Faculty and Academy Team.

After submitting your application, you will be considered by our ABSL Academy management.

Once you are accepted for ABSL Fusion, you will receive your invoice and be provided with more information about the process.
