| GBS MBA: CONTEXT AND MISSION

In the last 5 years ABSL have developed over 200 senior GBS executives through our **ABSL Fusion education programmes**.

As a next step in innovation for the sector we have created a **flagship, academic, global MBA programme** in partnership with global leading providers in the education sector, University of New York in Prague and The Hackett Institute.

The launch of this exclusive and unique MBA in Global Business Services is in line with **ABSL Leader's Vision** 2025 Report to provide our GBS leaders with Global quality education to develop their business career.

Be one of the first to join this cutting-edge programme and create the career opportunity of a lifetime.

There is only one MBA in the whole world in Global Business Services.

| GBS MBA: CONTEXT AND MISSION

The programme was created under the ABSL umbrella in partnership with the Global education experts. It is developed from the excellent International MBA programmes by **The University of New York in Prague** combined with the leading global Advanced Diploma in GBS qualification by **The Hackett Institute**.

The GBS Academic curriculum is supported by expert ABSL Fusion sessions led by world class GBS practitioners and experts from ABSL members in the Czech Republic and Internationally.

This programme is designed for ABSL Czech Republic members and provides the highest-level Academic qualification in the ABSL Fusion suite - designed as the natural complement to the highly successful Fusion Professional and Fusion Leader programmes.

“We are bringing ABSL members a unique opportunity to develop their leaders and professionals through a proven blend of **global MBA** teaching and market leading **GBS qualifications**.”

Jonathan Appleton
Managing Director
ABSL Czech Republic

| UNYP MBA PROGRAMME EXTENSION

UNYP offers an excellent opportunity to broaden your qualification through the Coaching & Mentoring Course which is a core part of UNYP's MBA program.

UNYP COACHING & MENTORING COURSE

The MBA Coaching and Mentoring course has obtained a five-year accreditation by EMCC, at the Practitioner's level. Upon successful completion of the course, participants will have satisfied the necessary requirements to apply for individual accreditation by European Mentoring and Coaching Council and will be granted coach/mentor status at either the Foundational or Practitioner s level, depending on their prior knowledge and experience.

THE BENEFITS OF THE EMCC ACCREDITATION:

- › Officially-recognised qualification as coaches/mentors
- › Receiving sufficient and proper training that meets high standard of practice
- › The course is an option for all professionals from various industries
- › Theoretical input in coaching and mentoring methodologies such as person centered, positive psychology, cognitive-behavioral coaching, solution focused, and brief coaching
- › Practice as peer to peer coaching, preparation of reflective logs, and supervision
- › 150 hours in total

EMCC started its life in 1992 as EMC and since then exists to develop, promote, and set the expectation of best practice in mentoring, coaching, and supervision globally for the benefit of society.

| A LEADER'S VISION FOR BUSINESS SERVICES

The focus on delivering higher-value-added services will require us to bring new capabilities to our centres.

Continuous improvement within the processes, coupled with digitization and automation, greatly reduces the need to support transactional services, yet increases the need to develop new capabilities and skills, with a particular emphasis on new digital profiles.
